The company

**YKK Danmark A/S**

**Neptunvej 5A**

**7430 Ikast**

**Danmark**

is granted authorization according to Oeko-Tex Standard 100 to use the Oeko-Tex mark, based on our **test report D07-0066**

for the following articles:

**Plastic zipfasteners in coil- and injection moulded version and metal zipfasteners with raw white and dyed tapes of polyester and raw white cotton tape, exclusively made of Oeko-Tex certified materials.**

The results of the inspection made according to Oeko-Tex Standard 100, product class I have shown that the above mentioned goods meet the human-ecological requirements of the standard presently established for baby articles.

The certified articles fulfil the requirements of the existing European legislation regarding the use of azo-dyes.

The holder of the certificate, who has issued a conformity declaration according to EN 45 014, is under an obligation to use the Oeko-Tex mark only in conjunction with products that conform with the sample initially tested.

Eschborn, 12.02.2007

**This authorisation is valid until 29.02.2008**
